

# Nathaniel Shuster

(724)-630-7804 | [ShusterNathaniel@gmail.com](mailto:ShusterNathaniel@gmail.com) | [Portfolio](#) | [LinkedIn](#) | [GitHub](#)

Full stack web developer with a passion for front end development. With experience in JavaScript, React.js and Ruby on Rails, and a professional background in graphic design, my curiosity for web development began while working alongside developers as a graphic designer. As a graphic designer, I have designed and developed digital marketing campaigns for a national fashion company that generated thousands of clicks and conversions daily.

## TECHNICAL PROJECTS

### **BetTracker** - [Frontend](#) | [Backend](#)

*Sports betting application used to monitor odds from popular betting platforms.*

- + Built on a React.js frontend and a Rails API backend
